

# How to Read the Catalog

## COURSE NUMBERS, LEVELS AND CREDITS

100 - Freshman      200 - Sophomore      300 - Junior      400 - Senior

That does not mean that the freshman students, for instance, are limited to those courses numbered in the 100's. Often scheduling difficulties make it more convenient to take a course or two just above or below the general class standing. In most cases, this will not present great difficulties. Transfer courses numbered less than 100 are remedial and do not count toward graduation credit. The letter preceding a course number indicate the department from which a course is taught. Cornerstone University's letters indicate the following:
