

PROPOSAL FOR CURRICULAR CHANGE

DIVISION:

7/2/2008

Proposal

- A new program proposal that is approved at UAC will go to the Faculty Senate
- Revision/deletion of current programs will be final at UAC
- A new course will go to UAC only, unless it is a core course. A core course will go to the Faculty Senate if the proposed motion was carried by UAC
- Academic Catalog description changes should be worked out between the Division Chair and the Registrar. The description will need the Registrar's approval. The Registrar will also decide if the revision has changed the course. If the course has changed, the Division Chair will fill out a Proposal for Curricular Change and send it to UAC
