

BUS511 Global Business Experience Report

This “Global Business Experience Report” paper is due the first night of class in MGT692. The paper should be at least 12 pages. Students will use the following format:

Section 1: Identification of Individual Goals and Assumptions
(Completed prior to beginning the Experience)

Each student will identify their personal goals for the experience and assumptions they had going into the experience.

Section 2: Journal of Experience
(Completed as part of the Experience)

Each student will keep a journal of their experience. The Global Business Experience must be at least 24 hours of interaction with a global team. Journaling should include a description of the experience, insights they gained from the experience, and other pertinent information.
(eg. Global trip or 3 day seminars or company project)

Section 3: Application of Experience
(Completed at the conclusion of the Experience)

Each student will discuss and respond to topics/questions, such as:

- What changes in their beliefs and/or assumptions occurred?
 - How did the experience fit in with the Christian worldview?
 - How does globalization affect my workplace?
 - What changes in my workplace are needed in order to respond to globalization?
- Include a bibliography of readings for your experience. At least 5 articles and one book.
- Include at least two executive interviews.

Section 4: Conclusion and Reflection
(Completed at the conclusion of the Experience)

Each student will reflect on their international business experience.

- Identify whether or not their goals were met
- Draw conclusions regarding the experience.
- How did the experience fit in with the overall MBA curriculum?
- Explain the value of the experience to you personally.
