

## GRTS FALL 2009 EXAM SCHEDULE

Examination times are determined by the day/time that the class is scheduled during the semester, Friday classes are an exception. Exams will be given in the same classrooms used for class during the semester. If you are scheduled for three or more exams on one day, or if you have two exams scheduled for the same time discuss the circumstances with the professor and arrange an alternative exam time within the exam week. All exceptions to the schedule below must be arranged with the professor in advance of the scheduled exam time.
